

November 19, 2005

Following the presentation by Bob Baker of Gales Creek Insurance at the Alpine members meeting of November 19, at which all members of the board were present it was agreed by the full board to proceed with the purchase of the indemnity coverage being offered for volunteer race workers when assisting at Alpine and Nordic events, coaches, and instructors both Alpine and Nordic, both on the snow and at dryland training. It was also agreed to purchase Directors and Officer's insurance for the protection of Board members against claims of negligence and personal liability.

Richard Sellens
Chairman of the OISRA Board of Directors
