

## Team Rules for Sunset Ski Team

**School Attendance and Participation requirements:** In order to participate in practice or contest, the participant must be in school attendance the full day of such practice or contest. Any exception must be cleared by the athletic director or principal (dental, doctor, family emergency, etc.)

**Beaverton School District Training Rules** apply to the alpine ski team: The use, possession, distribution of tobacco, alcohol, nonprescription drugs, or distribution of prescription drugs will not be tolerated for any participant in the interscholastic athletic program, including Tier 2 and Tier 3 athletics. This restriction includes regular school hours, as well as non-school time. Violation of the rule will result in consequences imposed by the school administration, and the OISRA and team coaches support any disciplinary measures taken by the school administration, including, but not limited to, not allowing participation at practices or races, or expulsion from the team.

As a member of the Sunset Ski Team you must be aware that if you violate the Beaverton School District training rules, there are well-defined consequences for your behavior.
