

Junior Buy Week At WebCyclery/ WebSkis

October 8th-16th

Over the week of October 8th through the 16th, WebCyclery/WebSkis will be offering all juniors involved in the high school programs and MBSEF a special discount at our retail store as well as over our website. For this week only, juniors can order the products listed on our website and also at our retail location at roughly 10% above wholesale. To calculate the pricing, multiply the retail price by .67 (roughly 33% off). Choose from Fischer, Madshus, Alpina, Swix, Exel, and Toko just to name a few.

Terms – All orders must be placed by 5pm on October 16th. If you come in on the 17th or try to order online after the 16th, we will not be able to extend the discount. We place special orders with the vendors for this period and we cannot add to the orders once they have been placed. **DO NOT WAIT UNTIL THE LAST MINUTE!** We hold this event over the course of a week as well as over our website to make ordering as easy and convenient as possible. No exceptions will be made on late orders. All purchases are paid in full at the time of ordering. If parts of your order are not filled due to lack of vendor supply, you will be issued a refund for those items. Any other return on ordered merchandise is subject to re-stocking fees.

Timelines- Most orders will be filled by Thanksgiving. All orders are subject to vendor availability. When orders arrive, you will be notified by phone or email. At this point, you may pick up your order at WebCyclery or we can arrange for shipment. Most of the vendors are located on the East Coast, so shipping alone on the orders is 5 to 7 business days. Processing typically takes ten days. Please be patient, we will try to get your equipment to you ASAP.

Online Ordering – If you wish to place your order online, we have set up a coupon to use for the discount. Just go to our website, WebSkis.com. While using the shopping cart on the website, there is a coupon code box at the bottom of the page. Type in “highschool” and the junior buy week discount will be applied to your order. When checking out, there will be shipping applied to the order. If you do not want your order shipped, please write that in the comments section and we will subtract shipping before we charge you.

When going through the ordering process online, please make sure to fill in all the appropriate fields so that we can accurately order skis, etc. for you. If you have any questions, please do not hesitate to call or email. We want to make sure that you get the correct equipment for your needs, so open communications are a must.

In Season Discounts – We here at WebSkis support junior racing in Oregon and we want to continue to support the various organizations throughout the winter. All juniors will receive 15% off all ski merchandise throughout the season. Just bring in a student ID or report card, mention what program you belong to, and we will be happy to help you. Sorry, these discounts do not apply to bikes or bike merchandise. If you have any questions at all, please do not hesitate to call or stop by. We are located at 550 Industrial Way, Suite 20 in Bend in the Old Mill Marketplace. We are a full service Nordic ski shop equipped with all your Nordic needs for soft goods, waxing, and hard goods. We also offer a public wax bench for our customers to use whenever we are open. Our phone number is 541-318-6188 or you can email Dave@WebSkis.com. Thanks in advance for your support!
