

Academic Eligibility Form

Confirmation of students' eligibility to compete in OISRA events.

A copy of this certification of enrollment and eligibility must be submitted to the OISRA prior to the closing of business on February 15th. Any student, who at this point in time fails to meet the eligibility criteria, but could meet it before the day that state registration must be submitted to the host league, may have their individual status appealed directly to the OISRA Board of Directors at the time that their team registers for the state event. The head coach must carry a copy of the February 15 certificate to the state championships.

TO BE COMPLETED BY PRINCIPAL OR SCHOOL ADMINISTRATOR:

I understand that the OISRA policies governing high school ski racing require academic eligibility requirements as set out in Rule 8 of the OISRA Policies, (Similar to those in OSAA Rule 8) and school and school district disciplinary requirements for athletic participation.

I certify that as of February 14th of this year all students enrolled at my school who are participating in OISRA sanctioned events are listed above and meet the OISRA academic and school and school district disciplinary requirements for athletic participation. Unless specifically indicated all of the above listed students are passing in subjects as required in the OISRA/OSAA 8-1-1 as posted in the OISRA policies, or have been given specific exemption by the board of directors of the OISRA, are attending regularly, and have not been suspended from athletic activities in line with school or school district regulations. Documentation of this fact is on file at my school and is available, if necessary, for verification by the OISRA.
