

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION

Racer Sportsmanship Program

LEAGUE LEADER

INTRODUCTION

2011-2012 Season

Welcome to the OISRA's newest venture...a racer sportsmanship program that endeavor's to promote and acknowledge classy, congenial behavior among our participants!

You and I know that participation in OISRA means a lot to the teens, coaches, and parents. In fact, we've all seen it positively affect the lives of high schoolers – sometimes profoundly. While we're doing this, we're creating passionate, life-long skiers who will set the standards for skiing and winter mountain enjoyment in the generation to come.

Often, one person can make a huge impact on whether a program succeeds or fails. While all of the groundwork for the Snow Sportsmanship program has been laid, and a pilot season has successfully transpired, your league needs an individual who will put the program into action. It just so happens that this is the fun part – promoting classy on-hill behavior and seeing it happen!

Thank you, in advance, for your willingness to accept this responsibility and invest your time and energy into this worthwhile program.

In the attached documents you'll find all the information you need to implement this program in your league, including:

1. Overview.League
2. League Implementation
3. Scoring System
4. Score Sheet (excel document)
5. Sportsmanship Flyer

These documents will make the most sense if read in the above order. If you have questions, please contact me.

I apologize in advance that our time is short – rolling this project out started in the hot days of summer, yet its ink is still wet as we enter the heart of our 2011-12 racing season. Your quick and diligent effort will be necessary for everyone's success.

Thank you greatly for your help in launching this program.

Randy Hewitt, OISRA Racer Sportsmanship Director
