

OREGON INTERSCHOLASTIC SKI RACING ASSOCIATION Racer Sportsmanship Program

SPORTS AUTHORITY SPONSORSHIP OFFERS

2011-2012 Season

Dear OISRA member,

I'm excited to inform you of sponsorship offers that have been extended to us as OISRA members from Sports Authority.

As you have read, the OISRA Snow Sportsmanship program is going statewide this season, including all leagues in both Nordic and Alpine. Sports Authority is adding a boost to our program by offering...

- ◆ Gift cards to each Sportsmanship Award winner from each league
- ◆ Discounts for the whole family on goods and services at all Sports Authority locations (see attached flyer)
- ◆ An "OISRA Weekend" with a 20% discount on all purchases (stay tuned for date scheduling)

In addition to these offers, Sports Authority has donated a **10-foot square finish area tent** to shelter our course workers. Last but not least, **they have given us \$2000** (that's correct, two thousand dollars) to subsidize many of the expenses involved in running the Sportsmanship program.

Take the time to look at the attached flyer and keep your eyes peeled for the OISRA dedicated sale weekend – both offers will save you money on goods and services that you need this winter.

Putting our teen racers through OISRA can be a costly venture. Similarly, running the Sportsmanship Program also requires financing so we appreciate the help that Sports Authority has offered. Have a great winter!
