

Metro Ski League Team and Individual going to State

Individuals – Metro sends the highest finishers in the Slalom and the highest finishers in the Giant Slalom not on a team going to state.

Girls

4 teams

3 individuals Slalom

3 individuals Giant Slalom

Boys

3 teams

4 individuals Slalom

4 individuals Giant Slalom

If 3 individuals go to state as individuals and are from the same team they can't compete as a team.

Please be sure and get your forms turned in on time (or early) for the State race. Becky is entering the start orders for State, so the sooner they are turned in the sooner I can be finished.
