Jury Meeting for Berg's 5k Classic held at Walt Haring Sno-park, Chemult
Time of meeting: 1:15 Weather was sunny and warm.

Jury Members: Chris Wright (TD), Dan Thorndike (Chief of Race), Dave Munson (Chief of Course), Pete Reinhardt (AHS coach), and Eric Martin (MVHS coach).

Witnesses: Dale Neubauer, Linda Graebner

There were three racers reported with skate violations. Witnesses explained what they saw: Dale Neubauer saw Bib number 130 skating approximately 10-15 meters on the uphill grade located in the middle of the course. Linda Graebner observed Bib numbers 57, 130 & 131 skating on the uphill grade located shortly after the start & lap lines. Do to this being a lap race she saw Bib number 57 skating on each lap. Eric Martin corroborated one such observation that he also witnessed of skier 130 skating. It was agreed that all reported observations were clearly skate violations. Chris Wright explained the range of penalties could be anything from a time penalty to a DSQ. Everyone agreed that a time penalty was appropriate. After a further discussion as to what amount of time was significant without being overly harsh it was agreed that a penalty of 5 seconds would be assessed per incident. It should be noted that all decisions were made by Jury members without knowledge or consideration of the racers finish position or time. Also Dan Thordike and Pete Reinhardt recused themselves from the discussion in regard to Bib # 131 who was an Ashland racer.

The total penalties assessed were: Bib 57 -10 seconds Bib 130 – 10 seconds Bib 131 – 5 seconds

General critique of the race:

Everyone agreed that the race went quite well consider the large amount of snow. It was noted that waxing was tricky and the snow conditions allowed for more double polling then would be preferred. Also it was noted that the second lap created crowding in some places on the course and that a bigger gap between the boys and girls start might help to reduce this problem.

The race ended approximately 12:45. There was an imaginative fun relay run that included kids running and ski/running with 1 ski and other variations. Everyone had a great time and the final lap of the relay included the participation of spectators who lobbed snowballs at the racers. The Rewards Ceremony was held after the relay and everyone appeared in good spirits and happy with the season's results. It was particularly nice to see both the top ten girls & the top ten boys representing all 3 teams pose with arms around each other for photo opts.
